Mr. Jim Williams

Jacksonville Fla.

Dear Jim:

I guess you will be surprised to get this letter from me, but I have been trying to get in touch with some one in Jacksonville for several weeks with no luck. I have written to Mr. Greer, Mrs Kirkpatric, and have received no answer. I wrote them both long enough ago for an answer to have been received. I cannot understand what is the reason, except that they did not get my letter.

I want to find out what is the possibility of training in Jacksonville. I am sure Mrs Kirkpatric could accomodate us, but I want to find out if we can get the park to train in. I would want it from 11 until 3 P.M. I wonder if you can help me. I would like you to get in touch with Mrs Kirkpatric, and find out if she received my letter. If she has answered etc. As you know the time is drawing near when I must decide where I am going to train and proceed to make arrangements. If you can contact Spike Washington I am sure he could help you. He has contact with the park Commissioner, and you can ask him I said please to take care of this for me.

We want to come to camp April 1st, and would like to get the park for a couple games for three or four dates with a Sunday some time between April 1st and May 1st. Give Spike Washington my address and tell him to write me right away. I will greatly appreciate having you take care of this for me. Will look to hear from you right away. I hope you are well.

Very Truly Yours
